

Inspiring Creativity in Writing

Learn how to help your child develop his ability to write creatively. In this workshop we will introduce the following concepts:

- What is creative writing?
- How can you nurture a child's creativity?
- Why is it important to create a positive learning environment?
- How is reading connected to writing?
- What stimuli can we provide as parents?
- Why writing is a 'process'.

Join us as we explore different approaches to inspire children to develop their creative writing skills.

Relevant handouts will be available at the end of the workshop to help you and your child to enjoy 'writing' together.
